

THE AMBASSADOR PROGRAM

AccessCal's Fundraising through Hosted Events

Become a hero for humankind, a superstar for the community, and an AccessCal ambassador!

The Access California Services Ambassador Program allows community partners to become heroes in supporting Arab- and Muslim-American refugees and immigrants in California by hosting 'friend and family' gatherings in the comfort of their homes, where charitable donations raised directly support AccessCal programs.

How Hosting an Event Helps AccessCal

When you become an AccessCal ambassador by hosting a fundraiser, AccessCal programs are guaranteed a continuous flow of charitable donations. AccessCal programs rely on charitable donations to help underserved Arab- and Muslim-Americans, refugees, and immigrants in our community find jobs, receive healthcare, receive mental counseling, access emergency funds, learn English, obtain skills to start businesses, become better parents, community members, and active citizens.

How to Host the Event and Be the Ambassador

1. Contact Eman at Access California Services to set a date: eman@accesscal.org.
2. Set a fundraising goal.
3. Invite a maximum of 15-20 friends and family members you anticipate will have a direct interest in the cause and will donate.
4. Prepare or order a simple finger food dinner/lunch. (Please try to minimize effort and cost so others become encouraged to also host similar events.)
5. Host the event.
6. During the event:
 - a. Announce the evening's fundraising goal
 - b. Ask if any of the attendees would be willing to host a later fundraiser and invite an entirely new group of community members
 - c. Announce if the fundraising goal was accomplished or exceeded
 - d. Ask for business card exchanges and sign-ins

How AccessCal Will Be Involved

1. The AccessCal Founder & Executive Director along with organizational representatives will attend and discuss the AccessCal mission, the need, and why the organization thrives on charitable community donations (10-15 minute presentation).
2. AccessCal attendee/s will bring organizational brand materials.
3. AccessCal will bring a sign-in sheet and a donations box.

For more information about the Ambassador Program, please call AccessCal (714)917-0440.
